## Other ways to support SAFI

**AMAZON:** Amazon.com has a program that awards 0.5% of your purchases to SAFI when you register for their Smile program. This may not sound like a lot, but it could add up over time.

To register, go to [smile.amazon.com](https://smile.amazon.com) and follow the instructions. You will be given a list of charities from which to choose, one of which is SAFI. That's all there is to it. Your donation will be made automatically.

**THRIVENT:** Don't forget that Thrivent members can donate through Thrivent to SAFI.

## Terry and Friends: A Great Show

Safi friends and supporters enjoyed a wonderful afternoon of music and laughter in late February as St. Mark choir director and musician extraordinaire Terry Shaw presented Terry and Friends at the Lacey Community Center. Proceeds from the event supported Safi Students in Arusha Tanzania and provided a substantial financial boost for the fund. Thanks to all who attended and to the volunteers who helped make the event a success.
