

**"What have you been doing at Ngateu?" you ask.
Here are some photos from August 8th to 11th.**

Reading Groups

We worked with students reading in English. This helps with reading and language skills. Jenn's rendition of a lion roaring, while acting out the story, helps with comprehension. Then it was the student's turn.

Carrie reads with Form 1. Later Mya, Lauren and Lisha joined the class.

Here are the walls in the computer lab before Marilyn and the other painters arrived. Watch it be transformed!

David envisioned the school's name "NGATEU" in the colors of the rainbow...Red, Orange, Yellow, Green, Blue and Purple.

First, the primary colors for N-A-E.

David mixes colors for G and U.

< Lauren paints the G orange.
v Lisha paints the U purple.

So what about the "T"?
A rainbow, of course!

v Julianna created a rainbow.

A New Sidewalk between Form 2 and Form 3 Classrooms

John and his crew of hard workers carved out the dirt, built the forms, and cement was mixed and poured. Voila!
A sidewalk in 3 days.

< Mary and Carrie discuss the sidewalk progress with John.

^Lisha and computer tech, Baraka, hard at work. Don't worry, Ben didn't get hit :)

Robert moves some misplaced dirt :(>

Students join the fun/work.

<Fundis filled the forms with large stones, then mixed the cement on ground and shoveled it into the forms.
v Robert checks out the depth of the cement.

<Trudy tries out the finished sidewalk.

<Finished just in time for...

...the Ngateu School Board and Safi Board to walk on the new sidewalk.
